**Kitab Al-Iman**-Salman Hassan Al-Ani 1999

**Fortress Of Muslim**-Sa'id Bin Wahf Al-Qahtani 2000 This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-Du'a wal-'llaj bir-Ruqyah mina'-Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a

particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet, Muhammad, and upon his family and Companions and whoever follows them in piety until the Day of Judgment. Said bin Ali bin Wahaf Al-Qahtani, Safar,1409

**The Early Muslim Conquest of Syria**- 2019-09-23 This book narrates the battles, conquests and diplomatic activities of the early Muslim fighters in Syria and Iraq vis-à-vis their Byzantine and Sasansian counterparts. It is the first English translation of one of the earliest Arabic sources on the early Muslim expansion entitled Futūḥ al-Shām (The Conquests of Syria). The translation is based on the Arabic original composed by a Muslim author, Muḥammad al-Azdī, who died in the late 8th or early 9th century C.E. A scientific introduction to al-Azdī's work is also included, covering the life of the author, the textual tradition of the work as well as a short summary of the text's train of thought. The source narrates the major historical events during the early Muslim conquests in a region that covers today's Lebanon, Israel, Palestinian Territories, Jordan, Syria, Turkey and Iraq in the 7th century C.E. Among these events are the major battles against the Byzantines, such as the Battles of Ajnādayn and al-Yarmūk, the conquests of important cities, including Damascus, Jerusalem and Caesarea, and the diplomatic initiatives between the Byzantines and the early Muslims. The narrative abounds with history and Islamic theological content. As the first translation into a European language, this volume will be of interest to a wide range of readership, including (Muslim and Christian) theologians, historians, Islamicists, Byzantinists, Syrologists and (Arabic) linguists.

**How to Read the Qur'an**-Carl W. Ernst 2011-12-05 For anyone, non-Muslim or Muslim, who wants to know how to approach, read, and understand the text of the Qur'an, How to Read the Qur'an offers a compact introduction and reader's guide. Using a chronological reading of the text according to the conclusions of modern scholarship, Carl W. Ernst offers a nontheological approach that treats the Qur'an as a historical text that unfolded over time, in dialogue with its audience, during the career of the Prophet Muhammad.

**The Lawful and the Prohibited in Islam (Al-Halal Wal Haram Fil Islam)**-Yusuf Al-Qaradawi 1999-01-30 The Lawful and the Prohibited in Islam is a long-awaited translation of Dr. Yusuf Al-Qaradawi's well-known Arabic work, Al-Halal Al-Haram Fil-Islam. Over the years since its first publication in 1960, this volume has enjoyed a huge readership in the Arabic speaking world and is now in its 20th edition. It came to dispel the ambiguities surrounding the honorable Shari'ah, and to fulfill the essential needs of the Muslims in this age. It clarifies the Halal (Lawful) and why it is Halal, and the Haram (Prohibited) and why it is Haram, referring to the Book of Allah and the Sunnah of His Messenger (peace be on him). It answers all the questions which may face the Muslims today, and refutes the ambiguities and lies about Islam. In a very simple way, Al-Halal Al-Haram Fil-Islam delves into the authentic references in Islamic

jurisprudence and fiqh. It therefrom extracts judgments of interest to contemporary Muslims in the areas of worship, business dealings, marriage and divorce, food and drink, dress and ornaments, patterns of behavior, individual and group relations, family and social ethics, habits and social customs. Referring to authentic texts, it clarifies that "Permission is the rule in everything, unless it is otherwise specified in matters that adversely affect individuals or groups." It also clarifies that "Allah is the only authority who has the right to legislate for the lawful and the prohibited."

**Lost Islamic History**-Firas Alkhateeb 2017 "Islam has been one of the most powerful religious, social, and political forces in history. Over the last 1400 years, from origins in Arabia, a succession of Muslim polities and later empires expanded to control territories and peoples that ultimately stretched from southern France, to East Africa to South East Asia. Yet many of the contributions of Muslim thinkers, scientists, and theologians, not to mention rulers, statesmen and soldiers, have been occluded. This book rescues from oblivion and neglect some of these personalities and institutions while offering the reader a new narrative of this lost Islamic history. The Umayyads, Abbasids, and Ottomans feature in the story, as do Muslim Spain, the savannah kingdoms of West Africa and the Mughal Empire, along with the later European colonisation of Muslim lands and the development of modern nation-states in the Muslim world. Throughout, the impact of Islamic belief on scientific advancement, social structures, and cultural development is given due prominence, and the text is complemented by portraits of key personalities, inventions and little known historical nuggets. The history of Islam and of the world's Muslims brings together diverse peoples, geographies, and states, all interwoven into one narrative that begins with Muhammad and continues to this day."--P. [4] of cover.

### **Book of the End - Great Trials and Tribulations-**

**Exploring the Qur'an**-Muhammad Abdel Haleem 2017-04-21 The teachings, style and impact of the Qur'an have always been matters of controversy, among both Muslims and non-Muslims. But in a modern context of intercultural sensitivity, what the Qur'an says and means are perhaps more urgent questions than ever before. This major new book by one of the world's finest Islamic scholars responds to that urgency. Building on his earlier groundbreaking work, the author challenges misinterpretations of particular Qur'anic verses from whatever quarter. He addresses the infamous 'sword' verse, frequently cited as a justification for jihad. He also questions the 'tribute' verse, associated with the Muslim state subjugating Jews and Christians; and the idea of Paradise in the Qur'an, often viewed by the West as emphasising merely physical pleasures, or used by Islamic fighters as their just reward for holy war. The author argues that wrenching the verses out of the context of the whole has led to dangerous ideologies being built on isolated phrases which have then assumed afterlives of their own. This nuanced, holistic reading has vital interfaith ramifications.

### **The Evolution Of Fiqh**-Abu Ameenah Bilaal Philips 2003

**The Ideal Muslim**-Muhammad Al-Hashimi 2018-05-10 The true Islamic personality as defined by the Qur'an and Sunnah presents a comprehensive overview of the way in which the Prophet (peace and blessings of Allah be upon him) and his Companions lived. This picture of the practical aspects of a truly Islamic lifestyle serves as a timely reminder for all of us. At a time when unIslamic and antiIslamic influences are spreading, via modern technology, to the heartlands of Islam and even to the remotest regions, a Muslim needs to hold firm to the distinct character of our faith, as

prescribed by Allah and revealed through His Prophet (peace and blessings of Allah be upon him). Dr. Muhammad 'Ali alHashimi presents a wellthought out guide to the Islamic lifestyle. He starts with the Muslim's relationship with his Lord, which is the most important aspect of his life, and provides the foundation for all his other relationships. From there, he outlines how the Muslim should relate to every person in his life, starting with himself and his family, and moving on, by stages, to encompass every member of the community or society. Each point is supported by extensive quotations from the Qur'an and the Sunnah of Prophet Muhammad (peace and blessings of Allah be upon him).

**The Life of Prophet Muhammad ( ﷺ )**-Mustafa Al-Sibai 2021-02-14 It is very important for anyone who wants to spread the message of Islam to study the life of the Prophet (blessings and peace of Allah be upon him) and discover how he undertook the mission of da'wah, or calling to Islam. This book is a blueprint for da'wah. From studying his biography we learn the lessons of patience and perseverance in the face of adversity and opposition, and the readiness to sacrifice everything for the cause of Islam. In this book, Dr. as-Sibā'ie shows us how the Prophet's approach was gentle yet determined and clear-cut, with no compromise on basic issues. The author takes the most important events of the Messenger's life, summarizes them in order to offer a brief overview, then outlines the lessons that we learn from these events. This is an excellent introduction both to the principles of da'wah and to the seerah, the study of the life of the Prophet (blessings and peace be upon him). It should be on the bookshelf of every Muslim who wants to call others to Allah.
