Philip of Spain-Henry Kamen 1997-05-29 Philip II of Spain—ruler of the most extensive empire the world had ever known—has been viewed in a harsh and negative light since his death in 1598. Identified with repression, bigotry, and fanaticism by his enemies, he has been judged more by the political events of his reign than by his person. This book, published four hundred years after Philip's death, is the first full-scale biography of the king. Placing him within the social, cultural, religious, and regional context of his times, it presents a startling new picture of his character and reign. Drawing on Philip's unpublished correspondence and on many other archival sources, Henry Kamen reveals much about Philip the youth, the man, the husband, the father, the frequently troubled Christian, and the king. Kamen finds that Philip was a cosmopolitan prince whose extensive experience of northern

Europe broadened his cultural imagination and tastes, whose staunchly conservative ideas were far from being illiberal and fanatical, whose religious attitudes led him to accept a practical coexistence with Protestants and Jews, and whose support for Las Casas and other defenders of the Indians in America helped determine government policy. Shedding completely new light on most aspects of Philip's private life and, in consequence, on his public actions, the book is the definitive portrayal of Philip II.

Pink Floyd All the Songs-Jean-Michel Guesdon 2017-10-24 The newest addition to the best-selling All the Songs series details the unique recording history of Pink Floyd, one of the world's most commercially successful and influential rock bands. Since 1965, Pink Floyd been recording sonically experimental and philosophical music, selling more than 250 million records worldwide, including two of the best-selling albums of all time Dark Side of the Moon and The Wall. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In Pink Floyd All the Songs, authors Margotin and Guesdon describe the origin of their nearly 200 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the tensions that helped drive the band. Organized chronologically by album, this massive, 544-page hardcover begins with their 1967 debut album The Piper at the Gates of Dawn, the only one recorded under founding member Syd Barrett's leadership; through the loss of Barrett and the addition of David Gilmour; to Richard Wright leaving the band in 1979 but returning; to Roger Waters leaving in 1985 and the albums recorded since his departure, including their 2014 farewell album, The Endless River, which was

downloaded 12 million times on Spotify the week it was released. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as Waters working with engineer Alan Parsons to employ revolutionary recording techniques for *The Dark Side of the Moon* at Abbey Road Studios in 1972 or producer Bob Ezrin's contribution in refining Water's original sprawling vision for *The Wall*.

Invisible Giants-Mark C. Carnes 2003-09-15 A collection of stories includes the insight of Henry Louis Gates, Jr., Helen Gurley Brown, and others on notable Americans whose contributions are much undervalued, including Christopher Isherwood, Albert Jay Nock, and Emma Goldman.

The Seven Day Circle-Eviatar Zerubavel 1989-03-15 Shows how an artificial system devised to order our activities, the seven-day week, has been shaped by religion, politics, and economics from the biblical era through varied, exotic civilizations and into the twentieth century

Christmas in Ritual and Tradition, Christian and Pagan-Clement A. Miles 2016-11-25 Reflect on the Christmas Season with a Celebration of Virtue 1900 "To be honest, to be kind--to earn a little and spend a little less, to make upon the whole a family happier for his presence....here is a task.." - Robert Louis Stevenson, A Christmas Sermon A Christmas Sermon is not necessarily a book about Christmas. In fact, it is a book that tries to educate the reader preaching the Christian values of morality, humility and kindness. It is also a book about how to approach the end of a year and the eve of a new one full of hope and optimism. ,This book has been professionally formatted for e-readers and contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.

The Oxford Companion to the Year-Bonnie J. Blackburn 1999 The Oxford Companion to the Year explores the fascinating history of calendars in general and our own in particular. The calendar used in the West today is just one of a multitude of systems for parcelling up time and naming its divisions. Each of its days has over the

centuries acquired its own peculiar significance: the feast day of a saint, the celebration of a historical event, the subject of prose or poetry, the commemoration of a significant historical figure. And for these feasts and seasons there has grown up a rich body of traditions, beliefs, and superstitions, many of them only half-remembered today. Now, for the first time, this body of knowledge is combined with a wide-ranging survey of calendars in an authoritative, absorbing Companion. The first section of *The Oxford Companion to the Year* is a day-by-day survey of the calendar year, revealing the history, literature, legend, and lore associated with each season, month, and date. The second part is a broader study of time-reckoning: historical and modern calendars, religious and civil, are explained, with handy tables for the conversion of dates between various systems, and special attention is given to the calculation of Easter. There is a helpful index to facilitate speedy reference. This is a unique reference source, an indispensable aid for all historians and antiquarians, and a rich mine of information, inspiration, and delight for browsers.

Slayers and Their Vampires-Bruce McClelland 2006-07-28 The first book to explore the origins of the vampire slayer "A fascinating comparison of the original vampire myths to their later literary transformations." —Adam Morton, author of *On Evil* "From the Balkan Mountains to Beverly Hills, Bruce has mapped the vampire's migration. There's no better guide for the trek." —Jan L. Perkowski, Professor, Slavic Department, University of Virginia, and author of *Vampires of the Slavs* and *The Darkling: A Treatise on Slavic Vampirism* "The vampire slayer is our protector, our hero, our Buffy. But how much do we really know about him—or her? Very little, it turns out, and Bruce McClelland shows us why: because the vampire slayer is an unsettling figure, almost as disturbing as the evil she is set to destroy. Prepare to be frightened . . . and enlightened." —Corey Robin, author of *Fear: The History of a Political Idea* "What is unique about this book is that it is the first of its kind to focus on the vampire hunter, rather than the vampire. As such, it makes a significant contribution to the field. This book will appeal to scholars and researchers of folklore, as well as anyone interested in the literature and popular culture of the vampire." —Elizabeth Miller, author of *Dracula* and *A Dracula Handbook* "Shades of Van Helsing! Vampirologist

extraordinaire Bruce McClelland has managed that rarest of feats: developing a radically new and thoroughly enlightening perspective on a topic of eternal fascination. Ranging from the icons of popular culture to previously overlooked details of Balkan and Slavic history and folk practice, he has rethought the borders of life and death, good and evil, saint and sinner, vampires and their slayers. Excellent scholarship, and a story that never flags." —Bruce Lincoln, Caroline E. Haskell Professor of History of Religions, University of Chicago, and author of *Theorizing Myth: Narrative, Ideology, and Scholarship*, *Authority: Construction and Corrosion*, and *Death, War, and Sacrifice: Studies in Ideology and Practice*

Creation of the World-Modise Tlharesagae 2018-09-10 The grandest spectra of life is not that we live, but that we live in a place that defines a Creator deliberately built for our use. That is before we were created it was designed and ergonomically set for our use. It is concurrently argued that the current world could have been done in one day, but God purposed to do it elaborately to ergonomically suit and fit what He had in mind, man. Thus in the sixth day He said let us create man in our own image, in our likeness... Yet the most heart racing is the fact that we live in a world that was previously inhabited by a sworn enemy that as he failed we will fail in this world.

Sustainable Parking Management-Nada Milosavljevic 2019-05-09 Sustainable Parking Management provides the latest research findings in the field, encouraging transport planners and policymakers to use parking policy as a tool for managing parking and transport systems. The book teaches up-to-date parking management techniques for selecting parking policies and understanding parking behavior when faced with policy interventions. It shows when to apply each policy, how to include user attitudes in policy definition, and how to model user behavior when refining parking policies. In addition, it stresses the need to reduce overall city driving and the need to allow users to choose the transport mode that best suits their needs. As the growth of cities and car dependency worldwide has led to parking problems resulting in increased traffic congestion, pollution, and overall urban chaos, this book creates a model to help deal with the fallout. Offers step-by-step

procedures for defining sustainable parking policies Synthesizes the latest research into one source Links theoretical knowledge with hands-on best practices from around the world Includes learning aids, such as chapter openers, textboxes, end-of-chapter review questions, and a glossary

□□□□ □□□-Saverio Campanini 2005

A Man Called Ove-Fredrik Backman 2015-05-05 Read the New York Times bestseller that has taken the world by storm In this "charming debut" (People) from one of Sweden's most successful authors, a grumpy yet loveable man finds his solitary world turned on its head when a boisterous young family moves in next door. Meet Ove. He's a curmudgeon--the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom window. He has staunch principles, strict routines, and a short fuse. People call him "the bitter neighbor from hell." But must Ove be bitter just because he doesn't walk around with a smile plastered to his face all the time? Behind the cranky exterior there is a story and a sadness. So when one November morning a chatty young couple with two chatty young daughters move in next door and accidentally flatten Ove's mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. All of which will change one cranky old man and a local residents' association to their very foundations. A feel-good story in the spirit of *The Unlikely Pilgrimage of Harold Fry* and *Major Pettigrew's Last Stand*, Fredrik Backman's novel about the angry old man next door is a thoughtful exploration of the profound impact one life has on countless others. "If there was an award for 'Most Charming Book of the Year,' this first novel by a Swedish blogger-turned-overnight-sensation would win hands down" (Booklist, starred review).

Last Days of Immanuel Kant and Other Writings-Thomas De Quincey 1862

Saints and Their Symbols-Fernando Lanzi 2004 "Saints and their Symbols" is a guide for recognizing and understanding the saints, explaining why so many of the saints appear in

images with Jesus and the Virgin Mary yet remain unnamed, which symbols are associated with each saint, and what their roles were in Christian salvation. With 265 full-color images and biographical information about the saints, this is a work of popular religious culture and anthropology. Liturgical Press

Welcome to Our World 1-Jill Korey O'Sullivan 2015-01-28 Welcome to Our World is a three-level pre-primary series in British English. It uses traditional children's songs from around the world, with amazing National Geographic photos and images, to introduce very young learners to the world of English.

The Alfonsine Tables of Toledo-José Chabás 2013-03-14 The Alfonsine Tables of Toledo is for historians working in the fields of astronomy, science, the Middle Ages, Spanish and other Romance languages. It is also of interest to scholars interested in the history of Castile, in Castilian-French relations in the Middle Ages and in the history of patronage. It explores the Castilian canons of the Alfonsine Tables and offers a study of their context, language, astronomical content, and diffusion. The Alfonsine Tables of Toledo is unique in that it: includes an edition of a crucial text in history of science; provides an explanation of astronomy as it was practiced in the Middle Ages; presents abundant material on early scientific language in Castilian; presents new material on the diffusion of Alfonsine astronomy in Europe; describes the role of royal patronage of science in a medieval context.

Heritage, Screen and Literary Tourism-Dr. Sheela Agarwal 2017-11-15 This book examines the main issues and concepts relating to heritage, screen and literary tourism (HSLT) and provides a comprehensive understanding and evaluation of these three forms of tourism in the context of global tourism development. It analyses the demand and supply of HSLT within the frameworks provided by service-dominant logic and value creation to enable a critical perspective on how HSLT tourist experiences are created, produced and shaped. The volume explores the challenges which relate to the role of the consumer in the co-creation of the tourist experience, and the implications this has for the development, marketing, interpretation,

consumption, planning and management of HSLT. It will appeal to researchers and students of heritage tourism, film and literary tourism, media-driven tourism, tourism planning and destination development and management.

Diaghilev's Ballets Russes-Lynn Garafola 1998 In the history of twentieth-century ballet, no company has had so profound and far-reaching an influence as the Ballets Russes. Under the direction of impresario extraordinaire Serge Diaghilev (1872-1929), the Ballets Russes radically transformed the nature of ballet—its subject matter, movement idiom, choreographic style, stage space, music, scenic design, costume, even the dancer's physical appearance. From 1909 to 1929, it nurtured some of the greatest choreographers in dance history—Fokine, Nijinsky, Massine, and Balanchine—and created such classics as *Les Sylphides*, *Firebird*, *Petrouchka*, *L'Après-midi d'un Faune*, *Les Noces*, and *Apollo*. Diaghilev brought together some of the leading artists of his time, including composers Stravinsky, Debussy, and Prokofiev; artists Picasso, Braque, and Matisse, and poets Hoffmansthal and Cocteau. Diaghilev's Ballets Russes is the most authoritative history of the company ever written and the first to examine it as a totality—its art, enterprise, and audience. Combining social and cultural history with illuminating discussions of dance, drama, music, art, economics, and public reception, Lynn Garafola paints an extraordinary portrait of the company that shaped ballet into what it is today.

Better Bidding with Bergen Vol I, Uncontested Auctions-Edgar Kaplan 1985-01 An outgrowth of his continuing column on bidding in the ACBL Bulletin.

Operation Ogro-Eva Forest 1976-11-12

The New Testament and Early Christian Literature in Greco-Roman Context-David Edward Aune 2006 This volume is a collection of newly published scholarly studies honoring Prof. Dr. David E. Aune on his 65th birthday. These groundbreaking studies written by prominent international scholars investigate a range of topics in the New Testament and early Christian literature with insights drawn from Greco-Roman culture and Hellenistic Judaism.

Christmas in Ritual and Tradition-Clement A. Miles 2017-10-23 This is a study of the origin of modern Christmas in ancient pagan traditions, how the festival was adopted by Christianity, and its evolution through history. Hidden between the words of this book is the secret of Santa Claus as allegory for the bodies inner Christos that flows up the seals to the land of milk and honey to unveil a thousand petaled lotus along with realizations of I am. Miles includes descriptions of folk-lore related to the Christmas season from a wide range of European countries, including an extensive collection of folk songs. It is important to learn about these traditions to remind ourselves that before Christmas became a hyper-commercialized festival of consumption, it was a joyous celebration of renewal and friendship.

Waiting for Elijah-Safet Hadži Muhamedović 2018-04-25 Waiting for Elijah is an intimate portrait of time-reckoning, syncretism, and proximity in one of the world's most polarized landscapes, the Bosnian Field of Gacko. Centered on the shared harvest feast of Elijah's Day, the once eagerly awaited pinnacle of the annual cycle, the book shows how the fractured postwar landscape beckoned the return of communal life that entails such waiting. This seemingly paradoxical situation—waiting to wait—becomes a starting point for a broader discussion on the complexity of time set between cosmology, nationalism, and embodied memories of proximity.

The Dark Vault-Victoria Schwab 2018-08-04 Imagine a place where the dead rest on shelves like books. Each body has a story to tell, a life seen in pictures only Librarians can read. The dead are called Histories, and the vast realm in which they rest is the Archive. Mackenzie Bishop's grandfather first brought her here four years ago, when she was twelve years old, frightened but determined to prove herself. Now her grandfather is dead, and Mac has grown into what he once was: a ruthless Keeper, tasked with stopping often violent Histories from waking up and getting out. Because of her job, she lies to the people she loves, and she knows fear for what it is: a useful tool for staying alive. Follow Mackenzie as she explores the boundary between living and dying, sleeping and waking, through these two timeless novels, now bound together in

this thrilling collection. With stunning prose and a captivating mixture of action, romance, and horror, *The Dark Vault* delves into a richly imagined world where no choice is easy and love and loss feel like two sides of the same coin.

'Twas the Night Before Christmas-Clement Clarke Moore 2009-09-15 Clement Clarke Moore's popular ode to Christmas Eve comes to life through the illustrations of Jon Goodell and Accord Publishing's exclusive AniMotion treatment, adding movement and depth to this beloved tale--from a locomotive circling the Christmas tree to the flickering flame of a candle.

Modern Paganism in World Cultures-Michael Strmiska 2005 The most comprehensive study available of neo-pagan religious movements in North America and Europe. * Photographs of neo-pagan leaders, practitioners, and rituals, along with maps of areas where various religions are practiced * Contributions from an international team of scholars provides insight into belief systems and cultural influences

Britt-Marie Was Here-Fredrik Backman 2016-05-03 The New York Times bestselling author of *A Man Called Ove*, *My Grandmother Asked Me to Tell You She's Sorry*, and *Anxious People* captivates readers with this "warm and satisfying" (People) story "about a woman rediscovering herself after a personal crisis...fans of Backman will find another winner in these pages" (Publishers Weekly). Britt-Marie can't stand mess. A disorganized cutlery drawer ranks high on her list of unforgivable sins. She is not one to judge others—no matter how ill-mannered, unkempt, or morally suspect they might be. It's just that sometimes people interpret her helpful suggestions as criticisms, which is certainly not her intention. But hidden inside the socially awkward, fussy busybody is a woman who has more imagination, bigger dreams, and a warmer heart that anyone around her realizes. When Britt-Marie walks out on her cheating husband and has to fend for herself in the miserable backwater town of Borg—of which the kindest thing one can say is that it has a road going through it—she finds work as the caretaker of a soon-to-be demolished recreation center. The fastidious Britt-Marie soon finds herself being drawn into the daily doings of her fellow citizens, an odd assortment of miscreants, drunkards,

layabouts. Most alarming of all, she's given the impossible task of leading the supremely untalented children's soccer team to victory. In this small town of misfits, can Britt-Marie find a place where she truly belongs? Funny and moving, sweet and inspiring, Britt-Marie Was Here celebrates the importance of community and connection in a world that can feel isolating.

The Ice Dragon-George R.R. Martin 2014-12-04
An enchanting tale of courage and sacrifice for young readers and adults by the wildly popular George R.R. Martin, author of A Song of Ice and Fire, the series that inspired HBO's Emmy Award-winning GAME OF THRONES. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon.

Naïve. Super-Erlend Loe 2011-12-01
Troubled by an inability to find any meaning in his life, the 25-year-old narrator of this deceptively simple novel quits university and eventually arrives at his brother's New York apartment. In a bid to discover what life is all about, he writes lists. He becomes obsessed by time and whether it actually matters. He faxes his meteorologist friend. He endlessly bounces a ball against the wall. He befriends a small boy who lives next door. He yearns to get to the bottom of life and how best to live it. Funny, friendly, enigmatic and frequently poignant - superbly naive.

Travels Into Dalmatia-Alberto Fortis 1778

Your Baby's Best Shot-Stacy Mintzer Herlihy 2012
Guides readers in understanding why they should vaccinate, emphasizing the importance of herd immunity and explaining how the anti-vaccine movement misleads the public on this important issue.

Judith-Marko Marulić 1991
From the preeminent writer of Taiwanese nativist fiction and the leading translator of Chinese literature come these poignant accounts of everyday life in rural and small-town Taiwan. Huang is frequently cited as one of the most original and gifted storytellers in the Chinese language, and these selections reveal his genius. In "The Two Sign Painters," TV reporters ambush two young

workers from the country taking a break atop a twenty-four-story building. "His Son's Big Doll" introduces the tortured soul inside a walking advertisement, and in "Xiaoqi's Cap" a dissatisfied pressure-cooker salesman is fascinated by a young schoolgirl. Huang's characters—generally the uneducated and disadvantaged who must cope with assaults on their traditionalism, hostility from their urban brethren and, of course, the debilitating effects of poverty—come to life in all their human uniqueness, free from idealization.

Croatian tales of long ago-I. Brli?-Ma?urani? 1924

The Last Pagans of Rome-Alan Cameron 2011 -
-Book Jacket.

Private Agriculture in Armenia-Zvi Lerman 2001
This book details and analyzes an extensive farm survey of Armenian land reform. Zvi Lerman and Astghik Mirzakhanian, two principal contributors to the design of the study, present their invaluable insight into the rapid land reform strategy implemented in Armenia. Unique among the former Soviet Republics, the entire agricultural sector of this country shifted from collective, large-scale, farm enterprises to individual production in 1992. The authors pay special attention to the commercialization of private farms and their access to supply and marketing channels outside the old state-controlled system. Family incomes from farming and off-farm sources are discussed, as well as problems of rural social services and social infrastructure. The authors demonstrate how official statistical measures and record keeping practices in Armenia do not adequately account for this dramatic transition.

Mishima : A Biography-John Nathan 2004-06-30

The Future of the Study of Religion-Slavica Jakelić 2004-01-01
This volume brings together divergent voices in religious and theological studies for a conversation about the proper objects, methods, and goals for the study of religion in the twenty-first century.

La Mythologie Slave-Louis Leger 2019-02-22
