Kama Sutra-Riley Ashwood 2021-02-13 □ 55% OFF for Bookstores! NOW at \$ 34.97 instead of \$ 44.97! □ Do you want to know everything about Kama sutra?Your Customers Will Never Stop To Use This Amazing Guide! Finding and maintaining a fulfilling sexual life can be difficult and overwhelming but it is possible if you follow the steps outlined in this book. The Kama Sutra is historically known for being all encompassing and accurate in terms of what men and women want inside and outside of the bedroom; whether or not this still reflects modern day, American beliefs has yet to be confirmed, though a lot of its contents still ring true today. With this book, you should not only be able to begin your path toward sexual fulfillment but be able to create an outline or a guide to help you along the way and to keep track of the measures you have taken towards your change. Our sexuality is something appealed to in our everyday lives. Our eyes are filled with titillation and provocation and this omnipresent, communal sexual expression may be at the root of our discontent. Everywhere we look, it's in our faces. When you love, you release an energy into the universe, which multiplies the love that is its nature. You feed the cosmic truth with your own and you participate in its health by becoming part of it. When this love is realized physically, the vibrational power of couples who love one another with an intentional and mindful sexuality becomes a powerful agent of goodness, illuminating the universe with an even brighter light than can possibly be imagined. That's why your sexuality exists and why it's so important. Sexuality is a spiritual commission to human beings. It's what we're born for - love not only felt but physically incarnated. Kama Sutra serves to remind us that sex, while a natural human activity, is as much an art form as life itself, also demanding active participation and understanding and the engagement of the whole person. That engagement is physical, or visceral. That engagement is intellectual and spiritual. As a sexual being seeking a deeper and more fulfilling connection with your partner, you're also seeking a deeper and more fulfilling connection with the cosmos itself. Your part in the divine plan and in your divinely gifted sexuality is part of what makes the universe an integrated whole. By learning to give sexuality the exalted and holy position in your life it deserves, you are becoming more attuned to what it means to be human. By re-igniting the flame of desire between you, you will draw closer to one another than you'd ever believed possible, even at the beginning of your

relationship. Sexuality is a spiritual reality, not just a physical one. Acknowledging that truth and taking steps to live in it and glory in it is about to make your life a joyful journey of discovery and cosmic ecstasy. This book covers: Understanding the Importance of Sex in Relationships Amazing Oral Sex, Fresh Views, Sexual Fantasies, and Further Easy Sex Positions to Better Enjoy Sex Comfortable Lying Down Sex Positions Everything about the Vagina Philosophy of Kama Sutra Sex is Not Just Positions Challenging Kamasutra Positions to Try The Benefits of Kamasutra It's time for you to go an amazing journey with your partner! The techniques and ideas of the Kama Sutra will help build a foundation for your relationship as you cease to rely on things as fleeting as chemistry and good looks. Step by step, you will learn how to build strong desire based on joint effort to physically and emotionally share other's pleasures and needs. Buy it NOW and let your customers get addicted to this amazing book!

The Kama Sutra of Vatsyayana-Vātsyāyana 2004-12-07 From aphrodisiacs to special touches, from orgasm-delaying techniques to the endless varieties of kisses, "The Kama Sutra" is a wellspring of erotic knowledge and inspiration. Sir Richard Burton's controversial translation, which caused a stir in the Western world, is provided here, in the complete and unexpurgated edition of this world-famous classic.

Kamasutra-Vatsyayana 2017-09-27 KamaSutra In the literature of all countries there will be found a certain number of works treating especially of love. Everywhere the subject is dealt with differently, and from various points of view. In the present publication it is proposed to give a complete translation of what is considered the standard work on love in Sanscrit literature, and which is called the 'Vatsyayana Kama Sutra, ' or Aphorisms on Love, by Vatsyayana. The rough English translation of Kamasutra is pleasure (kama) treatise (sutra). In the West, since it was first (rather surreptitiously) translated and published back in 1883, the book has generally been associated with a series of beautiful, ancient illustrations of a couple determinedly coupling in a variety of fascinating and often utterly improbable positions; as essentially the erotic counterpart to the ascetic asanas of yoga

Indian Sex Life-Durba Mitra 2020-01-07 "During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new

science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

Kamasutra (English Edition)-Vatsyayana 2016-08-25 The Kama Sutra, is an ancient Indian Hindu text written by Vatsyayana. It is widely considered to be the standard work on human sexual behavior in Sanskrit literature. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual.

The Undead Kama Sutra-Mario Acevedo 2009-10-13 Ex-infantryman Felix Gomez came back from Iraq decidedly undead. Back home in Denver, he embarked upon a new career where nighttime work is the norm: private investigator. Since then, he's managed to survive lustful extraterrestrials, manic nymphomaniacs, and x-rated bloodsuckers, while satisfying his own unorthodox hungers with blood-laced Mexican food. But some thirsts aren't as easily assuaged, and that's where "The Undead Kama Sutra" comes in—a hands-on manual that illustrates how sex can help a lonely vampire increase his psychic energies. Felix's search for missing parts of the coveted manuscript is, of course, purely professional. And now the dying words of an alien interloper ("Find Goodman and save Earth's women!") are thrusting the immortal (if he's lucky) P.I. and a bodacious undead sexpert, Carmen Arellano, into a seamy mess of otherworldly abductions, shady military irregularities, and unexplained murder.
