Sex Positions for Couples-Nicole Williams 2020-05-20 Do you want to learn how to revitalize your sex life with the best positions for couples, improve your intimacy for a better sexuality without sexual taboos.? If yes, then keep reading... Sexual desire, sex is a cosmic power that allows us to fulfill our destiny. There is no love between two people, in a couple, that is not followed by sexuality and physical attraction. What really ties a man and a woman together is not just affection, but mainly sexuality, desire and attraction. The latter are the true pivot of the bond and give meaning to the life of the couple. Why is it important to have sex in a couple? We have sex, we make love for our metamorphosis, to evolve. And we can evolve only if we live the sexual desire to the full, as a transforming force, which brings us to our individual and couple realization. Having sex is good for love and, therefore, you have to do it always better, make it more appetizing and interesting. For example, by experimenting with various sexual positions, we can stimulate the sexual nerve centers and enhance our own and partner's eroticism. Of course, the imagination and creativity of the couple's members are indispensable, as is the predisposition of the couple to experimentation and participation. Through these elements, you can have a very fulfilling sex life. The Kama Sutra-Vatsyayana 2015-05-11 The Kama Sutra The Standard Work on Human Sexual Behavior By Vatsyayana Translated from the Sanscrit In Seven Parts, with Preface, Introduction and Concluding Remarks. New Edition The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anecdotal poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra (Sanskrit: Kama Sastra). Historians attribute Kamasutra to be composed between 400 BCE and 200 CE. John Keay says that the Kama Sutra is a compendium that was collected into its present form in the 2nd century CE.

The Kama Sutra of Vatsyayana-Vātsyāyana 2004-12-07 From aphrodisiacs to special touches, from orgasm-delaying techniques to the endless varieties of kisses, "The Kama Sutra" is a wellspring of erotic knowledge and inspiration. Sir Richard Burton's controversial translation, which caused a stir in the Western world, is provided here, in the complete and unexpurgated edition of this world-famous classic.

"We know by now that you have to work to get a girl to orgasm, and I mean a genuine orgasm. The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn't got her there. But not anymore. You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place." "I want you to remember exactly that. The orgasm isn't purely physical; the emotional and psychological elements are still so, so important. It's possible for a person to orgasm without even being touched. It's hard, sure, but it is certainly possible. I just need to demonstrate to you the significance of the mind here. It's a key part of getting a female to her ultimate climax. Think about tantric sex. Now, you might not know a lot about tantric sex, but the idea is that sex is considered virtually spiritual in nature - it's linked to a higher state of being. So clearly sex is more than the mere physical act of stimulating the nerves." "If you're successful here, then the chances are that she won't have anything to say - she will quite literally become speechless! When a female experiences such a hard orgasm she physically won't able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to. But you do." Want to know more and learn 101 exciting sex positions? You know what to do.
