Now Vicky Rai has been killed at the party he was throwing to celebrate his acquittal. R.N. Kao-Nitin A Gokhale 2019-11-18 Somewhere deep in the archives of the Nehru Memorial Museum and Library (NMML) in the heart of New Delhi lies a set of papers that researchers and historians interested in recording the history of Indian intelligence, would love to get their hands on. Alas, those documents-transcripts of tape-recorded conversations with RN Kao, the legendary spy chief-are not going to be available until 2025, according to instructions left by him, months before he passed away in 2002. So until those tapes and papers are made public, any biography of Rameshwar Nath Kao or 'Ramji' to friends, colleagues and family would have to depend on personal memories of a vast array of individuals who knew him in different capacities and their interpretation of his personality and contribution.

Asha Parekh The Hit Girl-Khalid Mohamed 2017-04-10 Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

I Am No Messiah-Sonu Sood 2020-12-15 Sometimes, a little nudge from the universe pushes one to find his *raison d'etre* in life. If actor Sonu Sood had given in to the celebrity syndrome of sitting in his ivory tower and expressing his generosity by remote control, he would have never come face to face with the trauma of India's migrant labourers or understood that a food packet was a woefully inadequate substitute for a ride back home. During the nationwide lockdown, imposed in the wake of the COVID-19 pandemic, when a wave of poverty-stricken migrants set out on foot to make their arduous journey back home, the value of *seva*, service to mankind, instilled in him by his parents, spurred Sonu Sood into action. From taking to the streets and reaching out to the stranded, to setting up a dedicated team and making arrangements for national and international transport, Sonu

managed to help thousands of helpless and needy workers. Thus, began his 'Ghar Bhejo' programme, carried out like a humanitarian mission. Chartered flights, buses and trains were sanitized and paid for. Distress calls from all over the world were answered. Soon, the movement snowballed into a campaign for providing jobs, medical facilities and educational aid to workers. The silver-screen villain transitioned into a real-life superhero. In his memoir, *I Am No Messiah*, Sonu Sood combines the extraordinary experiences of his journey from Moga to Mumbai with the writing skills of veteran journalist and author Meena K. Iyer. Honest, inspirational and heart-warming, this is the story of Sonu Sood and of the people whose lives he continues to transform.

How I Got Lucky-Farhad J Dadyburjor 2013-04-03 'I was with Lucky... Lucky Star. He showed me what he was wearing to the Cannes Film Festival. He's given me an Exclusive.' Raman Malhotra is thirty five, uninitiated in the matters of love, and endlessly confused about his sexuality. A journalist with *The Weekly*, his search for front page scoops come to a screeching halt when he's assigned the Bollywood beat. Throw into the mix the shenanigans of an overpowering lesbian photographer, a dirt-swapping PR queen, a webcam model doling out sexual favours, and a rising Bollywood star. Raman's blah existence is dramatically thrown off-kilter when he finds himself being pursued and courted by the bisexual king of Bollywood, Lucky Star. Puckered into a world of celebrity, malicious gossip, and meaningless shags—Raman wrestles with his sense of self, ideas of love, and the monstrous caricatures of entertainment.

Standing on an Apple Box: The Story of a Girl among the Stars-Aishwaryaa Rajinikanth Dhanush 2016-12-10 Director, dancer, goodwill advocate for the United Nations: Aishwaryaa Rajinikanth Dhanush is so much more than the daughter of a legendary actor, or the wife of southern cinema's biggest star. Growing up in Bangalore and then Madras, in a household that resolutely kept out any hint of her father's superstardom, she was a quiet, introverted child whose greatest pleasure was a visit to Marina Beach and an occasional meal out. It was not cinema but law that became a preoccupation when she started thinking about college and career - but fate, and her mother, had other plans for her. Aishwaryaa writes with disarming honesty about life as Rajinikanth's daughter, of falling in love and raising two boys with Dhanush, of fighting her own demons and finding satisfaction in a career of her choice. She reflects on the many roles a woman has to juggle at home and outside - in her case, under the watchful gaze of cameras and celebrity-watchers. Intensely personal, but also inspirational, Aishwaryaa's memoir is an unusually frank insight into growing up in cinema-land. A playful meditation on the joys and difficulties of being a woman in this age, *Standing on an Apple Box* is as much a celebration of individual fulfilment as it is of family.

The Last of the Live Nude Girls-Sheila McClear 2011-07-25 A "eye-opening, gritty, and compelling" memoir by one of New York City's last Times Square peep show girls (The Paris Review Online). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McClear. Pulling back the curtain on the little-documented world of the peeps, her "ribald . . . memorable and highly relevant" (The Daily Beast) reflection is "both a eulogy and a paean to the freaks and misfits who have long given their souls to the city" (Matthew Gallaway, author of The Metropolis Case). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it's a "sharp, sweetly personal . . . fascinating and honest" narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of Pale Horse Rider).

The Stranger in Me- 2019

Karachi, You're Killing Me!-Saba Imtiaz 2014-02-24 Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoilt offspring of the Karachi elite who'll do anything to cure their boredom. Her most pressing problem, however, is how to straighten her hair during the chronic power outages. Karachi, You're Killing Me! is Bridget Jones's Diary meets The Diary of a Social Butterfly—a comedy of manners in a city with none.

King of Bollywood-Anupama Chopra 2007-10-02 Here is the astonishing true story of Bollywood, a sweeping portrait about a country finding its identity, a movie industry that changed the face of India, and one man's struggle to become a star. Shah Rukh Khan's larger than life tale takes us through the colorful and idiosyncratic Bollywood movie industry, where fantastic dreams and outrageous obsessions share the spotlight with extortion, murder, and corruption. Shah Rukh Khan broke into this \$1.5 billion business despite the fact that it has always been controlled by a handful of legendary film families and sometimes funded by black market money. As a Muslim in a Hindu majority nation, exulting in classic Indian cultural values, Shah Rukh Khan has come to embody the aspirations and contradictions of a complicated culture tumbling headlong into American style capitalism. The Grand High Master, however, sees her potential and offers her the position of Jared's co-commander to help train the newest squad in time for the impending attack on his home. In *The Day I Shot Cupid*, Hewitt offers her hard-won wisdom and tells us how to embrace love with both feet on the ground. First, we have to shoot Cupid. We have to believe that happily-ever-after is hard work--it's not all flowers and symphonies and floating hearts. Wise and wry and refreshingly honest, Hewitt talks about how to pick the right guy and how to know when to let the wrong ones go free, and she offers some surprising truths about the opposite sex. From twenty things to do after a breakup, to ten things to do before a date, to the perils of text flirting (Note: You are waiting. By the phone. For his response.), Hewitt uses stories and dating secrets to illustrate the idiotic, romantic, crazy, depressing, hilarious, awkward, glorious moments we all experience in relationships. Funny, quirky, and empowering, *The Day I Shot Cupid* deserves a place on every woman's nightstand, bookshelf, or coffee table, or tucked inside her oversized designer handbag.

Jessica Koslow and her restaurant, Sqirl, are at the forefront of the California cooking renaissance, which is all about food that surprises us and engages all of our senses—it looks good, tastes vibrant, and feels fortifying yet refreshing. In *Everything I Want to Eat*, Koslow shares 100 of her favorite recipes for health-conscious but delicious dishes, all of which always use real foods—no fake meat or fake sugar here—that also happen to be suitable for vegetarians, vegans, or whomever you're sharing your meal with. The book is organized into seven chapters, each featuring a collection of recipes centered on a key ingredient or theme. Expect to find recipes for dishes Sqirl has become known for, as well as brand-new seasonal flavor combinations, including: Raspberry and cardamom jam Sorrel-

pesto rice bowl Burnt brioche toast with house ricotta and seasonal jam Lamb merguez, cranberry beans, roasted tomato, and yogurt cheese Valrhona chocolate fleur de sel cookies Almond hazelnut milk Koslow lives in LA, where everyone is known to be obsessively health-conscious and where dietary restrictions are the norm. People come into Sqirl and order dishes with all sorts of substitutions and modifications—hold the feta, please, add extra kale. They are looking to make their own healthy adventures. Others may tack breakfast sausage, cured bacon, or Olli's prosciutto on to their order. So Koslow has had to constantly think about ways to modify dishes for certain diets, which in a way has made her a better, more adaptable cook. Throughout this book, Koslow provides notes and thought bubbles that show how just about any dish can be modified for specific tastes and dietary needs, whether it needs to be gluten-free or vegan. Everything I Want to Eat captures the excitement of the food at Sqirl—think of a classic grilled cheese turned playful with the addition of tomato coriander jam—while also offering accessible recipes, like blood orange upside-down cake, that can be easily made in the home kitchen. Moreover, it's an entirely new kind of cookbook and approach to how we are all starting to think about food, allowing readers to play with the recipes, combining and shaping them to be nothing short of everything you want to eat.
