Ranjit Singh-Khushwant Singh 2008-09-27 The Classic Biography Of One Of India's Greatest Rulers

Ranjit Singh Was In Every Way As Remarkable A Man As His Contemporaries, Napoleon And Mohammed Ali. From The Status Of Petty Chieftain He Rose To Become The Most Powerful Indian Ruler Of His Time. His Empire Extended From Tibet To The Deserts Of Sindh And From The Khyber Pass To The Sutlej. His Army Was One Of The Most Powerful Of The Time In Asia And Was The First Indian Force In A Thousand Years To Stem The Tides Of Invasion From The North-West Frontiers Of Hindustan. This Is The First Detailed Biography Of The First And Only Sikh Ruler Of The Punjab By A Sikh Writer Who Has Devoted Many Years Of His Life To Research On Sikh History. In This Classic Work Khushwant Singh Presents Ranjit Singh As He Really Was. Based On Persian, Punjabi And English Sources And Drawing Upon The Diaries And Accounts Of European Travellers Like Moorcroft, Sir Alexander Burne, Masson, Fane And Emily Eden, This Is A Memorable Account Of The Pageantry And Brilliance Of The Sikh Kingdom At The Height Of Its Power, And A Lively Portrait Of One Of The Most Colourful Characters In Indian History. &Nbsp;

Carpets and Floor Coverings of India-Kamaladevi Chattopadhyaya 1969

Fellowship of the Spirit-Sarvepalli Radhakrishnan 1961

Pather Panchali. Song of the Road-Bibhūtibhūṣhaṇa Bandyopādhyāya 1968 Novel about life in a Brahmin household in rural Bengal, as seen through the eyes of two young children.

Aranyak-Bibhutibhushan Bandyopadhyay 2017-08-15 Bibhutibhushan Bandyopadhyay was one of the greatest writers in modern Bengali literature, best known for his autobiographical novel Pather Panchali, which, along with another of Bandyopadhyay's books, formed the basis for Satyajit Ray's classic Apu Trilogy. In this semi-autobiographical novel, Satyacharan is a young graduate in 1920s Calcutta, who, unable to find a job in the city, takes up the post of a 'manager' of a vast tract of forested land in neighboring Bihar. As he is increasingly enchanted and hypnotized by the exquisite beauty of nature, he is burdened with the painful task of clearing this land for cultivation. As ancient trees fall to the cultivator's axe, indigenous tribes-to whom the forest had been home for millennia-lose their ancient way of life. The promise of 'progress' and 'development' brings in streams of landless laborers, impoverished schoolmasters and starving boys from around the region, and the narrator chronicles in visionary prose the tale of destruction and dispossession that is the universal saga of man's struggle to bend nature to his will. Written in 1937-39, and now available in English translation, Aranyak is an unforgettable account of hard lives in a place of vanishing beauty, preserved here for all time by a brilliant artist.

A brief history of Hungary-Lázár István 1997

Kapalkundala-Bankim Chandra Chattopadhyay 2021-04-10 "Kapalkundala" by Bankim Chandra Chattopadhyay (translated by Devendra Nath Ghose). Published by Good Press. Devi Chaudhurani-Bankimacandra Caṭṭopādhyāya 1946

Saheb Bibi Golam-Bimal Mitra 2004

Supernormal-Meg Jay 2017-11-14 Clinical psychologist and author of The Defining Decade, Meg Jay takes us into the world of the supernormal: those who soar to unexpected heights after childhood adversity. Whether it is the loss of a parent to death or divorce; bullying; alcoholism or drug abuse in the home; mental illness in a parent or a sibling; neglect; emotional, physical or sexual abuse; having a parent in jail; or growing up alongside domestic violence, nearly 75% of us experience adversity by the age of 20. But these experiences are often kept secret, as are our courageous battles to overcome them. Drawing on nearly two decades of work with clients and students, Jay tells the tale of ordinary people made extraordinary by these all-too-common experiences, everyday superheroes who have made a life out of dodging bullets and leaping over obstacles, even as they hide in plain sight as doctors, artists, entrepreneurs, lawyers, parents, activists, teachers, students and readers. She gives a voice to the supernormals among us as they reveal not only "How do they do it?" but also "How does it feel?" These powerful stories, and those of public figures from Andre Agassi to Jay Z, will show supernormals they are not alone but are, in fact, in good company. Marvelously researched and compassionately written, this exceptional book narrates the continuing saga that is resilience as it challenges us to consider whether -- and how -- the good wins out in the end.

The Reign of Religion in Contemporary Philosophy-Sarvepalli Radhakrishnan 1920

The Mahabharata-Shiv Kumar 2012-01-11 A modern-day retelling of one of the world's oldest epics One of the greatest epics in the world, the Mahabharata is a spectacular work of creative brilliance. More ingeniously conceived than the Iliad or the Odyssey, the Mahabharata delves deep into the human psyche, exploring the range of human ideals and emotions. Very often, however, a rendition of the Mahabharata, in its efforts to explore the ideological implications of the epic, loses sight of the fact that it is also a very human story - it is not only a tale of battles and philosophies but also a story about the people who fought those battles and lived those philosophies. In this imaginative retelling of the epic by Prof. Shiv K. Kumar, we rediscover the beauty of a magnificent tale that

is ultimately propelled by the force of human emotions - love and hate, lust and vengeance, jealousy and greed, loyalty and betrayal.

East and West in Religion-Radhakrishnan 2007-03 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Asamoy-Bimal Kar

The Folk-Literature of Bengal-Rai Saheb Dineshchandra Sen 2019-02-23 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

Janmabhumi Matribhumi-Bani Basu

Nidra Yoga for Beginners-Ella Rolando 2019-10-28 Craving a simple practice to combat your racing thoughts and sleepless nights? Yoga Nidra is the magic elixir taking the Yoga world by storm. Exploring the depths of your consciousness has never been more relaxing. With the ancient practice of Nidra, you can wander within and come to find solace within yourself. If you're simply looking for a means of balancing the fast-paced ways of contemporary Western society, the Eastern roots of Nidra will offer you a quiet space available at any time. Whether you're seeking Nidra for its path towards deepened awareness and opened consciousness, or simply find yourself craving a means of slowing down your days, the ways of easily achieving such bliss are shared in this book. Learn from the ancient methods of Nidra and weave the practice into your daily rituals. From there, watch

your perception grow, your mental presence steady, and your sense of peace flourish. With the maintenance of consistent practice, Nidra allows your life to transcend perceived bounds and expand beyond the ordinary. If you're seeking something to hold you accountable, a 21-Day Challenge encourages you to show up for your practice and make Nidra a daily habit that follows you down every path of life. Yoga Nidra turns the mundane into pure magic and sprinkles the same goodness throughout every facet of your life.

The Interim Protection of Individuals Before the European and National Courts-Dimitrios Sinaniotis 2006-01-01 This thesis focuses on the interim protection of the individual in the Community legal order. An analysis will be made of the avenues available to individuals for requesting interim relief when a case is brought before the European or the national courts. An extensive examination of the relevant case law will be performed to reveal what appears to be an evolving concept of the individual's interim protection in the European Community structure and to suggest any possible changes in order to guarantee an effective remedy of interim relief.

Search For Truth-S Radhakrishnan 2020-08-26 This volume of selected writings of Dr Radhakrishnan contains inspiring thoughts for everybody and shows how spiritual and worldly living could be combined for a worthy life. The world is suffering from skepticism in faith, anarchy in morals and unbelief in truth. We do not know which way to follow and what to do in moments of crises. Dr. Radhakrishnan, in this volume of selected writings, shows how spiritual and worldly living could be combined for a worthy life. A volume of inspiring thoughts for everybody.

Industrial Organization in India-P. S. Lokanathan 1970

Insect Molecular Virology-Bryony C. Bonning 2019-05-31 The substantial costs of insect-associated viruses, ranging from honey bee decline to human, animal and plant disease, have driven investment in molecular research toward mitigation. Interest in insect viruses extends beyond these negative impacts however with biotechnological insect virus-based tools used to produce recombinant proteins, for gene therapy, vaccine production, and virus-induced gene silencing. The volume opens with a description of the insect virome and the explosion in discovery of new viral taxa. The following four chapters focus on anti-viral immunity including endogenous viral elements some of which may provide the molecular basis for long-term anti-viral immunity, the discovery of new viral suppressors of RNA interference, the role of new classes of small RNA molecules in dictating infection outcomes, and the Drosophila-dicistrovirus model as a powerful resource for insect molecular virology. The application of omics tools to insect-vector-borne plant viral disease, recent advances in tetravirus, polydnavirus, and baculovirus research are then described. The final chapters review progress in baculovirus expression vector and surface display technologies for use in laboratory and therapeutic applications. Written by leading experts, this work is essential reading for students and scholars of insect virology and immunology and provides a valuable resource for users of baculovirus-derived tools.

The Second Jim Corbett Omnibus-Jim Corbett 2001 Here, For The First Time, Three Classic Corbett Books Within The Covers Of One Hardback Volume, Jungle Lore; My India; Tree Tops.

Ghosts-Henrik Ibsen 2014-06-12 Norway, 1881. Mrs. Alving is ecstatic when her son Oswald visits after many years abroad. He has returned to celebrate the heroic memory of his dead father. But within hours of Oswald's homecoming his mother is forced to unearth the past and reveal its terrifying ghosts.
