Meet Me in Winona -Z. L. Ziemer 2010-01-12 In the late 1800s, the bright sun shining on upper Michigan's Copper Country reflects all the way to Finland. It welcomes impoverished Finlander Matt Aho to a flourishing life in the small town of Winona. He makes his way to America before the turn of the century, eager to create a new home for his wife and children. Years later, when Matt finally summons his family to join him, his daughter, Juliana, must leave behind the man she loves to take the long journey across the sea. For Juliana, her relationship with Frans Lammi defines and shapes her future, and she cannot imagine life without him. Being apart brings great pain to them both, but Frans resolves to join Juliana as soon as he possibly can. When that great day comes, Juliana and Frans embrace their future together in this amazing country, marry, and start a family. Frans works in the copper mines, a difficult and deadly occupation, while Juliana keeps their home and gives birth to eight children. Throughout all the hardships and struggles, their deep love sustains them, creating a treasured legacy for their children. A moving testament to the challenges faced by immigrants and filled with the history of upper Michigan, Meet Me in Winona is also a touching love story filled with hope and courage.

The Psychological Impact of Breast Cancer -Cordelia Galgut 2010 'It's rare to find a professional in the field of health care who understands the psychology of such a frightening experience and who has also been through it herself. Cordelia's book will ring true to every woman who has experienced breast cancer and will, I hope, offer insight to doctors and nurses.' From the foreword by Jenni Murray OBE What is it like to experience breast cancer? This book presents rare and valuable insights into the impact of diagnosis, treatment and prognosis from a woman who has experienced breast cancer as both patient and as health professional. It informs and educates readers about the psychological realities of living with breast cancer, of treatments such as surgery and radiotherapy, and the impact of social and historical attitudes to the breast and breast cancer on a woman's experience of the disease. The conflicts Cordelia Galgut experienced between conventional wisdom and her own first-hand experience are explored vividly and reflectively. The Psychological Impact of Breast Cancer is vital reading for medical and mental health professionals and trainees working with breast cancer patients, and for those who are affected by or have an interest in the condition. 'The aim of this book, and the way forward, is to understand that we must all be more sensitive to the feelings of patients and to the suffering, uncertainty and sense of vulnerability that this disease imposes upon them.' Dr Carmel Coulter in her Foreword 'This book has helped me understand the complexities that my patients present and has turned me into a better doctor. It has eased my way along the road that I now travel as a cancer survivor.' Dr Cathy Roberts in her Foreword.
Breaking the Chain -Darren Richards 2017-04-20 Ken had a happy life. But then he found out a secret that changed everything. Now he is in prison for murder. Josh is new in prison. He doesn't think he should be there. When the two men meet, Ken tells Josh his secret. Could it be the key to their freedom? This book is particularly suitable for adults who are new to reading (emergent reads). It includes 'What do you think?' questions at the end of each chapter.
