<p>Braxton Bragg-Earl J. Hess 2016-09-02 As a leading Confederate general, Braxton Bragg (1817–1876) earned a reputation for incompetence, for wantonly shooting his own soldiers, and for losing battles. This public image established him not only as a scapegoat for the South’s military failures but also as the chief whipping boy of the Confederacy. The strongly negative opinions of Bragg’s contemporaries have continued to color assessments of the general’s military career and character by generations of historians. Rather than take these assessments at face value, Earl J. Hess’s biography offers a much more balanced account of Bragg, the man and the officer. While Hess analyzes Bragg’s many campaigns and battles, he also emphasizes how his contemporaries viewed his successes and failures and how these reactions affected Bragg both personally and professionally. The testimony and opinions of other members of the Confederate army—including Bragg’s superiors, his fellow generals, and his subordinates—reveal how the general became a symbol for the larger military failures that undid the Confederacy. By connecting the general’s personal life to his military career, Hess positions Bragg as a figure saddled with unwarranted infamy and humanizes him as a flawed yet misunderstood figure in Civil War history.</p>

<p>Emil Nolde. Blumen / Flowers (dt.,engl.)-Emil Nolde 2015-02-24 Flower and gardens are central to Emil Nolde’s oeuvre, although he only began to paint his flower watercolours in around 1918/1920. These range from depictions of single blooms and carefully arranged still lifes, to flowers captured in flowing motion, from deftly applied layers of just a few, vibrant colours, to two-dimensional tapestries of texture and colour.The technical assurance, the expressive vigour and intensity of the densely applied pigment, the blurred contours and accidental gradations correspond to the uniqueness of the subject, the vivid structures of the petals and leaves, as well as the special quality of each individual shade of colour.Thirty of these flower watercolours are being published here for the first time in a small gift-book format.English and German text.</p>

<p>Do You Remember Kunan Poshpora?-Essar Batool 2016-09-10 On a cold February night in 1991, a group of soldiers and officers of the Indian Army pushed their way into two villages in Kashmir, seeking out militants assumed to be hiding there. They pulled the men out of their homes and subjected many to torture, and the women to rape. According to village accounts, as many as 31 women were raped. Twenty-one years later, in 2012, the rape and murder of a young medical student in Delhi galvanized a protest movement so widespread and deep that it reached all corners of the world. In Kashmir, a group of young women, all in their twenties, were inspired to re-open the Kunan-Poshpora case, to revisit their history and to look at what had happened to the survivors of the 1991 mass rape. Through personal accounts of their journey, this book examines questions of justice, of stigma, of the responsibility of the state, and of the long-term impact of trauma.</p>
