**Furbex**-Alice Van Kempen 2018-09 Claire is not your everyday practitioner of "urbex," the modern underground passion for "urban exploration" that lures 21st-century adventurers into the hidden labyrinths and decaying chambers of disused buildings and urban spaces. Claire is, you see, a bull terrier. And with her photographer companion, Alice Van Kempen, she has created the canine expression of the art . . . "furbex." Furbex is a dazzling photographic record of Claire's adventures among the abandoned spaces of Europe. It captures her ghostly presence in ruined hotels and grand houses; crumbling castles and palaces; forgotten theaters and cinemas. Fascinated by shadows and light, past and present, and the mysterious, dark worlds of abandoned places, Alice van Kempen uses thrift shop props and long exposures to create photographs with the air of Old Master paintings; while Claire's tragi-comic presence imbues every image with the pathos and comedy of a silent movie. The result is a haunting and hilarious gift book of unique photographs, which will appeal to urban explorers, dog lovers (most particularly the cult following of the bull terrier breed), and all lovers of the Gothic, the mysterious and the absurd.

**A Fatal Thaw-**Dana Stabenow 2011-03-28 Spring has arrived in The Park. Soon, nine people will be dead, seemingly the victims of a random act of violence—until a routine ballistics test reveals that one of the murders was anything but random. **The Far Cry / The Screaming Mimi-**Fredric Brown 2016-09-05 The first in a new series of Fredric Brown double-novels, The Far Cry / The Screaming Mimi could very well have been subtitled "The Way of the Knife." And since this is Fredric Brown we're talking about, the razor's edge isn't limited to the blade itself; it is a metaphor for the narrow ledge the characters navigate. Taken together we find Brown at the height of his powers. As with many of Brown's narratives, the main characters are fueled by an alcoholic haze and are never far from their next drink. Although the boozing never becomes the story, it keeps the protagonists constantly teetering on the edge of collapse. The novels are daring for their time, awash in taboo subjects and frank language that would never, ever make it into the mystery films of the same period. It's why people read potboilers in the first place. They wanted the gritty underbelly they couldn't get anywhere else. The Screaming Mimi is an early take on the serial killer sub-genera, written long before it became mystery mainstream. The Far Cry is one of Brown's darkest stories--a serpent's tail that coils tighter and tighter around the narrator as attempts to unravel the knot of a young woman's murder. One novel takes place in an authentically rendered Chicago--nightclubs, press rooms and police precincts; the other casts its drama in the forlorn deserts of New Mexico--a haunting, vast emptiness where ghosts don't have to be seen to be felt. Fredric Brown double-novels are newly edited and presented in a format that gives these works the treatment they deserve. Reading a book is more than just reading a story. The Far Cry / The Screaming Mimi features a new introduction by Sci-Fi great Barry N. Malzberg, whose decades-long appreciation of Fredric Brown makes for a stirring kick-start to the new series.

**The Ultimate Betrayal**-Kimberla Lawson Roby  
2015-06-09 "Roby's highly engaging prose offers edgy characters and intense drama." - Booklist  
It's been four years since twenty-eight-year old Alicia Black, daughter of Reverend Curtis Black, divorced her second husband, the most womanizing and corrupt man she has ever known. Since then, Alicia has been dating her first husband, Phillip Sullivan, a wonderfully kind and true man of God whom she'd hurt terribly by cheating on him. Alicia has worked hard to prove herself worthy of his trust once more, and when he asks her to marry him again, she couldn't be happier. But Levi Cunningham, the drug dealer Alicia had an extramarital affair with, has just been released from prison, and he has completely turned his life around for the better. Still head-over-heels in love with Alicia, he will do whatever is necessary to win her back. Remarrying Phillip is the one thing Alicia has wanted for years, but she can't get Levi out of her mind. Alicia and Phillip aren't the only ones in the middle of a crisis. Their best friends, husband and wife Brad and Melanie Richardson, are struggling to keep their marriage together. Workaholic Brad is never home and has begun losing thousands on bad investments. Or so he says. Melanie, who is

certain there's more to the story, is determined to get at the truth. Fresh betrayal leads to consequences no one saw coming, and Alicia's relationship with Phillip might not be the only thing that needs saving. But is it already too late?
