Google BigQuery: The Definitive Guide-

Valliappa Lakshmanan 2019-10-23 Work with petabyte-scale datasets while building a collaborative, agile workplace in the process. This practical book is the canonical reference to Google BigQuery, the query engine that lets you conduct interactive analysis of large datasets. BigQuery enables enterprises to efficiently store, query, ingest, and learn from their data in a convenient framework. With this book, you'll examine how to analyze data at scale to derive insights from large datasets efficiently. Valliappa Lakshmanan, tech lead for Google Cloud Platform, and Jordan Tigani, engineering director for the BigQuery team, provide best practices for modern data warehousing within an autoscaled, serverless public cloud. Whether you want to explore parts of BigQuery you're not familiar with or prefer to focus on specific tasks, this reference is indispensable.

The Art of Company Valuation and Financial Statement Analysis-Nicolas Schmidlin

2014-04-30 The Art of Company Valuation and Financial Statement Analysis: A value investor's guide with real-life case studies covers all quantitative and qualitative approaches needed to evaluate the past and forecast the future performance of a company in a practical manner. Is a given stock over or undervalued? How can the future prospects of a company be evaluated? How can complex valuation methods be applied in practice? The Art of Company Valuation and Financial Statement Analysis answers each of these questions and conveys the principles of company valuation in an accessible and applicable way. Valuation theory is linked to the practice of investing through financial statement analysis and interpretation, analysis of business models, company valuation, stock analysis, portfolio management and value Investing. The

book's unique approach is to illustrate each valuation method with a case study of actual company performance. More than 100 real case studies are included, supplementing the sound theoretical framework and offering potential investors a methodology that can easily be applied in practice. Written for asset managers, investment professionals and private investors who require a reliable, current and comprehensive guide to company valuation, the book aims to encourage readers to think like an entrepreneur, rather than a speculator, when it comes to investing in the stock markets. It is an approach that has led many to long term success and consistent returns that regularly outperform more opportunistic approaches to investment.

13 Steps to Bloody Good Luck-Ashwin Sanghi 2014-10-31 The journey of life isn't exactly easy... Some people make it through hard work and talent. Some fall by the wayside. And some people are just plain lucky. They are blessed with Bloody Good Luck! But is it possible to attract

good luck? Can we train ourselves to be lucky? Apparently it seems that Dame Luck isn't that fickle. She is well within our reach. In his first non-fiction foray, bestselling author Ashwin Sanghi explores that critical, much-longed for element called luck. Through entertaining and informative anecdotes, narrations of personal experiences and vignettes of homespun wisdom, Ashwin gives us a whole new insight into how people can work towards being lucky. It seems that luck isn't entirely the twist of fate that it is made out to be!

No More No Less-Alisha Nandeshwar 2019-03-11 When the sassy Pari meets the

arrogant Sameer, it is impossible for them to avoid the sparks of love that flare between them like a forest fire, but falling in love is easy. It is staying in love that's like a rollercoaster ride—all full of ups and downs and a whole cocktail of twists and turns. As if that wasn't enough, there is always destiny ready to make things worse. And sometimes it has nothing to do with destiny! So while Sameer and Pari are busy writing the chapters of their perfect love story, fate intervenes in the most terrible way and now they don't know if they would make it to their 'Happily Ever After' unscathed...

The Shadow Throne-Aroon Raman 2015-07-30
A mysterious murder at the Qutub Minar triggers a call to ace journalist Chandrasekhar from his cop acquaintance, Inspector Syed Ali Hassan. The victim is unlike anyone Chandra has ever seen: a white Caucasian male who has all the looks of a throwback to Greek antiquity. Soon after, Hassan calls in to report the case has been taken away from him - in all likelihood by RAW -

the Research & Analysis Wing, the uber-agency of Indian intelligence. What began as a murder enquiry soon morphs into a deadly game of hide-and-seek within the shadowy world of Pakistan's ISI and India's RAW; and Chandra, his friend history professor Meenakshi Pirzada and Hassan find themselves in a race against time to avert a sub-continental nuclear holocaust. As the action moves to its hair-raising climax in the Hindu Kush mountains of Afghanistan, Chandra must face up to the fact that Inspector Hassan is not all that he seems... The Shadow Throne by Aroon Raman displays taut writing and nail-biting suspense in a debut that is chillingly believable. Will this unlikely trio succeed in navigating the treacherous politics of India and Pakistan?

Cyclic-C.S. Woolwine 2019-07 Imagine Anything, Create Everything. That's what they told us... All the marketing, all the campaigns to change the world, and cyclic was still being used for evil. It became stronger than the creators thought possible. But I should give you some context

before we get too deep. Cyclic allows you to create anything you can imagine. Silverware, bikes, cars, companions... anything you can think of is yours! Then came the classes: strength, intellect, and spirit. Each gave access to unique traits that made the user special, something that could be trained and refined. This story begins when I started working for Serenity's organization, the hidden branch that stopped the bad guys. We were researchers and combatants alike, fighting for the greater good of humanity. We did everything we could to stop the evil few who wished to abuse this tool. It turns out we didn't know the half of it...

Chanakya's Chant-Ashwin Sanghi 2010
Chanakya's Chant is a racy and gripping account on Chanakya, one of the greatest political strategists India has seen. The story changes track as it narrates the tale of Gangasagar Mishra, the reincarnation of Chanakya, in parallel. Will he be the next kingmaker?
Gangasagar Mishra, a denizen of a quaint old

Indian town, is no ordinary man. Society sees him as a Brahmin teacher who can barely make ends meet, but he's the reincarnation of the man who brought the fragmented subcontinent together under a single empire - Chanakya. Chanakya's Chant by Ashwin Sanghi gives its readers a look into two parallel worlds that are tied together by the intelligence of the main protagonists. The first story is set in 340 BC, when a young Brahmin man, fueled by the death of his father, vows revenge against the king and overthrows his rule by bringing in Chandragupta Maurya, the first emperor of the Maurya Dynasty. The scene then shifts to modern day India, where Gangasagar Mishra leads his life as a nonentity - until he decides to groom an ambitious girl from Kanpur into India's prime minister. Will Chanakya's manipulative mechanisms change the face of the nation again? The book takes readers on a joyride through Chanakya's cold and calculating moves. Chanakya's Chant was very well received by critics and readers. Renowned bureaucrat and writer Shashi Tharoor released the book in

Mumbai and termed it a gripping and delightful read. The book is a historical account, but features many colloquial terms too.

The Rozabal Line-Ashwin Sanghi 2012-08-01 A cardboard box is found on a shelf of a London library. When the mystified librarian opens it, she screams before she falls unconscious to the floor. Within the labyrinthine recesses of the Vatican, a beautiful assassin swears she will eliminate all who do not believe in her twisted credo. An elite army of thirteen calling itself the Lashkare Talatashar has scattered around the globe. The fate of its members curiously resembles that of Christ and his Apostles. Their agenda is Armageddon. A Hindu astrologer spots a conjunction of the stars and nods to himself in grim realization of the end of the world. In Tibet, a group of Buddhist monks' searches for a reincarnation, much in the way their ancestors searched Judea for the Son of God. In strife torn Kashmir, a tomb called Rozabal holds the key to a riddle that arises in Jerusalem and gets

answered at Vaishno Devi. In The Rozabal Line, a thriller swirling between continents and centuries, Ashwin Sanghi traces a pattern that curls backward to the violent birth of religion itself.

Vikramaditya Veergatha: Book 1 - The Guardians of the Halahala-Shatrujeet Nath 2014-12-10 The Price of a Promise Paid in Blood The deadly Halahala, the all-devouring poison churned from the depths of the White Lake by the devas and asuras, was swallowed by Shiva to save the universe from extinction. But was the Halahala truly destroyed? A small portion still remains - a weapon powerful enough to guarantee victory to whoever possesses it. And both asuras and devas, locked in battle for supremacy, will stop at nothing to claim it. As the forces of Devaloka and Patala, led by Indra and Shukracharya, plot to possess the Halahala, Shiva turns to mankind to guard it from their murderous clutches. It is now up to Samrat Vikramaditya and his Council of Nine to quell the

supernatural hordes - and prevent the universe from tumbling into chaos! A sweeping tale of honour and courage in the face of infinite danger, greed and deceit, *The Guardians of the Halahala* is a fantastical journey into a time of myth and legend. Doortodoor salesman, copywriter, business journalist and assistant editor at *The Economic Times*, SHATRUJEET NATH was all this before he took to writing fiction fulltime. He debuted with *The Karachi Deception* in 2013, followed by *The Guardians of the Halahala* and *The Conspiracy at Meru*, the first two books in the *Vikramaditya* series. At present, he is writing volume three of the series. Shatrujeet lives in Mumbai, but spends much of his time in the fantasy worlds of his stories. He can also be found at facebook.com/ShatrujeetNath and [@shatrujeet](https://twitter.com/shatrujeet).

The Bard of Blood-Bilal Siddiqi 2015-03-15
Researched with the assistance of US and Indian intelligence agents, war correspondents and the crime veteran S. Hussain Zaidi, *The Bard of*

Blood takes you on a thrilling journey from the power corridors of RAW to the war-torn terrain of Balochistan. In Delhi, ex-RAW boss Lieutenant General Sadiq Sheikh is killed by a double agent. Sadiq's killer is a man who knows too much and is part of a diabolical plot to create what might become the Third World War. In Mumbai, literature professor Kabir Anand is settling down into his new life, when a call from the PMO thrusts him back into the world he is trying hard to forget. A brilliant agent who served under Sadiq Sheikh, Kabir has been forced to leave RAW because of a disastrous mission in Balochistan in 2006 that was undertaken as part of the Indian secret service's covert support of the Balochi rebels against the Pakistan government. Kabir must now revisit those ghosts, avenge his mentor and face his deadliest enemies—Mullah Omar and the ISI—while racing against time to save his country.

Autographs Don't Burn-Vera Tsareva-Brauner
2020-11-03 This book sprang from three

handwritten lines by Ivan Bunin, Russia's first winner of the Nobel Prize for Literature. Found inside a first edition of Mitya's Love, they led to the discovery of one of the largest corpora of letters written to Ivan and Vera Bunin by two people whose lives and legacy had been, until now, forgotten. These letters are now in the Russian Archive in Leeds (RAL), and are published here for the first time. The book also focuses on memory and history in its purest form, as narrated by witnesses who lived through the most tragic century in Russian history. Their stories involve Grand Dukes, Russian literary and political giants, as well as one of the architects of the Gulag, and show how these lives intertwined. It also sheds new light on the life and works of Chekhov, Gorky, A. Tolstoy, and Bunin.

Self Discipline Mindset-Curtis Leone 2016-02

This book has actionable information that will help you to supercharge your self-discipline to achieve great feats in life. We all set many goals in life and hope that we will achieve them.

Unfortunately, many of us don't have the discipline to follow what it takes to transform these goals to reality. We somehow lose our passion and drive to do what needs to be done after setting goals. Think about it; every year, we all set New Year's resolutions with the hope that by the end of the calendar year, we would have changed different aspects of our lives. We start off overly excited that by the end of the year, our life would be completely different. However, that doesn't happen for many of us because we lose our focus and passion for whatever it is that we want to achieve. As you well know, you cannot go far in life if you cannot implement everything needed to transform your goals into reality. You cannot chase your dreams and actualize your goals if you are not determined, strong willed, and have the power to control emotions, desires, and feelings that derail your goals and their achievement. To achieve success, you must boss your thoughts and emotions as well as exercise perseverance and endurance, which are extremely important self-discipline ingredients. Cultivating these character traits may sound

challenging right now, but by the time you reach the last page of this book, self-discipline will come easy to you; you will find no difficulty in exercising self-discipline, and going after everything you desire. This book is the ultimate self-discipline master guide: it aims to teach you how to develop the self-discipline you require to pursue your goals, while avoiding distractions that tend to derail your goal pursuit. Make the best use of this wonderful opportunity and learn how to unlock your self-discipline right now.

The Guardians of Karma-Mohan Vizhakat 2014-01-21 Prehistoric times beyond the mists of vedic India - the forgotten era of 'first wave' advanced civilisations. Around 10500 BCE, with sea levels much lower than they are today, and mainland continents still largely covered with ice, the primary centres of Indian civilisation were dominated by two highly advanced nation states - Dev Lok and Daityan Empire. Spiritually-inclined Devas lived in harmony with nature, whereas Daityas believed in brute force technologies for rapid prosperity and material gratification. Steady inundation of the tropical islands created a crisis, particularly for Daityas. To fuel their hunger for material resources, the aggressive Daityas proceeded to invade other nations. Warrior monk Hara becomes the sole hope of Dev Lok to prevent defeat and abject subjugation. However, before he can help them, Hara must undertake the ultimate journey of spirituality to pass beyond the barrier of death

itself and engage with the astral personae of Lord Rudra - one of three extra-terrestrial progenitors of humanity. This action-packed mythological science fiction takes the readers through the exotic cities of Amaravati, Atalantpuri (Atlantis?), and traces the arduous journey to Mount Kailash through Sarparanya. The story also unfolds the philosophy of Karma within the backdrop of love, passion, greed, war, tragedy and spirituality that characterised these ancient times. Will Hara be able to check the Daityan aggression in time to correct the course of Karma? Will he be able to wield the viman 'Pinaka' against the central seat of Daityan power - the indestructible citadels of Tripura? Is he the one who will glorify the name of Lord Shiva as Tripurantaka - the mighty destroyer of Tripura? More at - <http://theguardiansofkarma.blogspot.in/>.

But can they overcome an ancient power that is out to wreak vengeance?

Boneshaker-Cherie Priest 2009-09-29 In the early days of the Civil War, rumors of gold in the frozen Klondike brought hordes of newcomers to the Pacific Northwest. Anxious to compete, Russian prospectors commissioned inventor Leviticus Blue to create a great machine that

could mine through Alaska's ice. Thus was Dr. Blue's Incredible Bone-Shaking Drill Engine born. But on its first test run the Boneshaker went terribly awry, destroying several blocks of downtown Seattle and unearthing a subterranean vein of blight gas that turned anyone who breathed it into the living dead. Now it is sixteen years later, and a wall has been built to enclose the devastated and toxic city. Just beyond it lives Blue's widow, Briar Wilkes. Life is hard with a ruined reputation and a teenaged boy to support, but she and Ezekiel are managing. Until Ezekiel undertakes a secret crusade to rewrite history. His quest will take him under the wall and into a city teeming with ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. Quests of the Dragon and Bird Clan-Paul Kekai Manansala 2006-10-01 "Quests of the Dragon and Bird Clan" examines how the seafaring trading people known as the "Nusantao" from Insular Southeast Asia influenced world history. This is a "book," a book based on a weblog (blog). The decision to publish the book came after requests to make the information in the blog available in an easier-to-read and more portable format. The advantage of the printed work is that the blog entries are arranged in easy-to-manage chronological order with out the need for the clicking through the

blog archives. The glossary entries are also in alphabetical order for easy look-up, and a word index and table of contents further increase the readability of the blog/book. Important supplementary articles have also been included in the appendices. A must-read for those who think there is more to history than what we find in "mainstream" publications.

The First Aryan-Paramu Kurumathur
2019-08-16 Will a series of brutal killings destroy the very foundation of Parsuvarta, an ancient kingdom? A series of murders have taken place in Parsupur, the capital city of Parsuvarta. Kasyapa and Agastya, two students training to become priests, are asked by their guru to

investigate the deaths. Around the same time, there is great turmoil brewing in the city-a palace coup and a battle for supremacy between the traditional Indra worshipers and the new sect of Varuna followers. It is an age when Vedic gods are worshiped, religious sacrifices are performed regularly, commerce flourishes and kings are guided by their loyal head priests. But beneath this façade of order lie prejudices and political rivalries, jealousy and power games. This is why the murders, which at first seem to be unconnected, soon lead in the same direction. It is now up to Kasyapa and Agastya to find out the common thread and identify the killer. The First Aryan is a one-of-its-kind murder mystery set in the Vedic times.
