<p><b>And Muhammad Is His Messenger</b>-Annemarie Schimmel 2014-06-30 The important role of the Prophet Muhammad in the everyday lives of Muslims is usually overlooked by Western scholars and has consequently never been understood by the Western world. Using original sources in the various Islamic languages, Annemarie Schimmel explains the central place of Muhammad in Muslim life, mystical thought, and poetry. She sees the veneration of Muhammad as having many parallels in other major religions. In order to understand Muslim piety it is necessary to take into account the long history of the veneration of Muhammad. Schimmel discusses aspects of his life, birth, marriage, miracles, and heavenly journey, all of which became subjects for religious devotions. By using poetic texts and artistic expressions and by examining daily Muslim religious practices, Schimmel shows us the gentler side of Islamic religious culture, providing a much-needed understanding of religion as it is experienced and practiced in the Islamic world. This is the first book in English to deal with all aspects of the veneration of the Prophet Muhammad. It is an expanded version of Schimmel's Und Muhammad Ist Sein Prophet, originally published in German in 1981.</p>

<p><b>The Greatest Man in History Is Muhammad</b>-Afrasiab 2017</p>
<p><b>Muhammad LP</b>-Deepak Chopra 2010-09-21 In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Islam was born in a cradle of tribal turmoil, and the arrival of one God who vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and surprisngly unknown story of a man and a moment that sparked a worldwide transformation.</p>
<p><b>The Life of Prophet Muhammad</b> ( ﷺ )-Mustafa Al-Sibai 2021-02-14 It is very important for anyone who wants to spread the message of Islam to study the life of the Prophet (blessings and peace of Allah be upon him) and discover how he undertook the mission of da'wah, or calling to Islam. This book is a blueprint for da'wah. From studying his biography we learn the lessons of patience and perseverance in the face of adversity and opposition, and the readiness to sacrifice everything for the cause of Islam. In this book, Dr. as-Sibā'ie shows us how the Prophet's approach was gentle yet determined and clear-cut, with no compromise on basic issues. The author takes the most important events of the Messenger's life, summarizes them in order to offer a brief overview, then outlines the lessons that we learn from these events. This is an excellent introduction both to the principles of da'wah and to the seerah, the study of the life of the Prophet (blessings and peace be upon him). It should be on the bookshelf of every Muslim who wants to call others to Allah.</p>

<p>ﷲ-Persatuan Islam (Indonesia) 2001</p>
<p><b>The Makings of Indonesian Islam</b>-Michael Laffan 2013-12 Indonesian Islam is often portrayed as being intrinsically moderate by virtue of the role that mystical Sufism played in shaping its traditions. According to Western observers—from Dutch colonial administrators and orientalist scholars to modern anthropologists such as the late Clifford Geertz—Indonesia's peaceful interpretation of Islam has been perpetually under threat from outside by more violent, intolerant Islamic traditions that were originally imposed by conquering Arab armies. The Makings of Indonesian Islam challenges this widely accepted narrative, offering a more balanced assessment of the intellectual and cultural history of the most populous Muslim nation on Earth. Michael Laffan traces how the popular image of Indonesian Islam was shaped by encounters between colonial Dutch scholars and reformist Islamic thinkers. He shows how Dutch religious preoccupations sometimes echoed Muslim concerns about the relationship between faith and the state, and how Dutch-Islamic discourse throughout the long centuries of European colonialism helped give rise to Indonesia's distinctive national and religious culture. The Makings of Indonesian Islam presents Islamic and colonial history as an integrated whole, revealing the ways our understanding of Indonesian Islam, both past and present, came to be.</p>

<p><b>The Life of Muhammad</b>-Muhammad Ibn Ishāq 2017</p>
<p><b>History of Islamic Political Thought: From the Prophet to the Present</b>-Antony Black 2011-07-19 A complete history of Islamic political thought from early Islam (c.622-661) to the present Now in its 2nd edition, this textbook describes and interprets all schools of Islamic political thought, their origins, inter-connections and meaning. It examines the Qur'an, the early Caliphate, classical Islamic philosophy and the political culture of the Ottoman and other empires. It covers major thinkers such as Averroes (Ibn Rushd) and Ibn Taymiyya as well as a number of lesser authors, and Ibn Khaldun is presented as one of the most original political theorists ever. It draws on a wide range of sources including writings on religion, law, philosophy and statecraft expressed in treatises, handbooks and political rhetoric. The new edition analyses the connections between religion and politics, covering the most recent developments in Islamic political thought and the most recent historical scholarship. It ends with a critical survey of reformism (or modernism) and Islamism (or fundamentalism) from the late-19th century up to the present day.</p>

<p><b>Black Buck</b>-Mateo Askaripour 2021-01-05 A New York Times Bestseller A Read with Jenna Today Show Book Club Pick! “Askaripour closes the deal on the first page of this mesmerizing novel, executing a high wire act full of verve and dark, comic energy.” —Colson Whitehead, author of The Nickel Boys “A hilarious, gleaming satire as radiant as its author. Askaripour has announced himself as a major talent of the school of Ralph Ellison, Paul Beatty, Fran Ross, and Ishmael Reed. Full of quick pacing, frenetic energy, absurd—yet spot on—twists and turns, and some of the funniest similes I’ve ever read, this novel is both balm and bomb.” —Nafissa Thompson-Spires, author of Heads of the Colored People For fans of Sorry to Bother You and The Wolf of Wall Street—a crackling, satirical debut novel about a young man given a shot at stardom as the lone Black salesman at a mysterious, cult-like, and wildly successful startup where nothing is as it seems. There’s nothing like a Black salesman on a mission. An unambitious twenty-two-year-old, Darren lives in a Bed-Stuy brownstone with his mother, who wants nothing more than to see him live up to his potential as the valedictorian of Bronx Science. But Darren is content working at Starbucks in the lobby of a Midtown office building, hanging out with his girlfriend, Soraya, and eating his mother’s home-cooked meals. All that changes when a chance encounter with Rhett Daniels, the silver-tongued CEO of Sumwun, NYC’s hottest tech startup, results in an exclusive invitation for Darren to join an elite sales team on the thirty-sixth floor. After enduring a “hell week” of training, Darren, the only Black person in the company, reimagines himself as “Buck,” a ruthless salesman unrecognizable to his friends and family. But when things turn tragic at home and Buck feels he’s hit rock bottom, he begins to hatch a plan to help young people of color infiltrate America’s sales force, setting off a chain of events that forever changes the game. Black Buck is a hilarious, razor-sharp skewering of America’s workforce; it is a propulsive, crackling debut that explores ambition and race, and makes way for a necessary new vision of the American dream.</p>
